BRANCH ACTIVITY REPORT TO COUNCIL, February 2003

BRANCH ACTIVITIES

- The President's Visit on January 29th was well received by our members. Fourteen new inductees were welcomed to the profession. 68 members (and spouses) attended the dinner at the Sawridge Hotel.
- The AGM is scheduled for late March. While arrangements are still being made, our tentative program includes speaker Dr. Andre Plourde, from the UofA School of Business. He will be discussing the effect of the Kyoto Protocol on Alberta. Our nominating committee has been formed.
- The Branch is preparing to provide volunteer support for the National Engineering Week activities at the Oilsands Discovery Centre.
